Semester

Equivalent

Course

The above General Education Courses and Program Courses are minimum requirements. Students with specific career goals in the Allied Health Sciences should be aware that some disciplines require more advanced courses than those listed. Therefore, if you know your career path, or if you believe you may transfer into a B.S. degree program at MSU Billings or another university, it is essential that you consult with your advisor in the Science Department so that you proceed efficiently in your studies.

ASSOCIATE OF SCIENCE DEGREE PROGRAM OF STUDY IN ALLIED HEALTH

Categories	Credits	Earned	Remaining
General Education Requirements	31		
Required Program Courses	17		
Restricted Electives	6		
Electives	V		
Total	60		

It is the student's responsibility to know and meet the requirements for graduation.

A minimum of 20 semester credits with 40 grade points must be earned at Montana State University Billings.

NOTES:
