Developing a Plan of Study
To facilitate course planning and scheduling, students should be aware that not all courses are offered every semester. Some courses require pre-requisites and preparatory courses to be successfully completed or co-requisites be taken simultaneously.

Program Specific Information
Students should know the following information:

1) Computer Programming and Application Development is a fall start program. Please see an advisor for more information.
2) Many of the required courses are sequential in order and failure to pass one semester can impact the next.
3) Students that earn an AAS degree and want to further their education thus career; are able to go on for a Bachelor of Applied Science degree through MSUB. There are a variety of thematic concentrations for completing the BAS degree. Please consult with an advisor for more information.
