

I need to order a transcript !

Under normal circumstances, students past and present have had several options for ordering a transcript. In an attempt to keep our students, staff, and community safe, we would appreciate your patience as we temporarily transition exclusively to the online ordering option.

**Please note, if an UNOFFICIAL Transcript will work for your purposes, you can print one from your computer by signing into your secure area. Access your MyInfo page from msubillings.edu. Click on the Student Services tab, Student Information, and finally Student Records.
