Students are required to complete three years in the undergraduate BSHA and major, obtaining General Education requirements as credit toward the BSHA. During the third year, the student applied for acceptance into the MHA (February 1). If not accepted, the student may reapply to the MHA and continue to work on coursework for the BSHA degree. If accepted, the student will begin specific MHA coursework in the beginning (Fall) of the fourth year. After successful completion of the fourth year, students are eligible for graduation with a bachelor's degree. At the successful completion of the fifth year, students are eligible for graduation with the master's degree. See suggested plan of study.
