

COURSE REGISTRATION INSTRUCTIONS

Visit your advisor before registration. You will receive a PIN to register online. Complete your online registration before submitting your request to the Music Office. Any music courses that require instructor consent must be submitted to the Music Office. Any other department courses that require instructor consent must be completed by the Program Coordinator in that respective department.

Submit your course registration request at the Music Office or by email to musicadmin@msubillings.edu. Please note that the CRN is required for each course. If your course requires instructor consent, contact your instructor and have them sign the request form or email the Music Office with their consent.

Complete all five columns on your request form or when emailing a request.
