Placements are made by the class instructor and are in community based after school programs. These programs are open between 2:30 pm to 6:30 pm, Mondays through Fridays only. Summer EDU 220-800 placements can be anytime in a school setting.	
Approximately five hours per week in the field are needed to meet the 45 hours and will be determined in consultation with the course instructor.	
Students will not be registered for Field/Clinic experiences if their criminal background report expires before the completion of the experience or the end of the semester, whichever is later.	

I understand that if I receive a grade lower than a C in my major(s) or minor courses, I will not be able to participate in Field/Clinic experience. I understand that I will be dropped from Field/Clinic experience if any grades are below a C. I will not be eligible until I have retaken the class and received a grade of C or higher and I will plan accordingly.
