What is Project *NEXT*?

Post-secondary students (at any 2- or 4-year colleges/universities) in the United States who have either a documented Traumatic Brain Injury (TBI) or Autism Spectrum Disorder (ASD) are eligible to participate in Project *NEXT* and receive one year of academic and career support services. Project *NEXT* focuses on utilizing Cognitive Support Technology (CST) and vocational rehabilitation services to provide students support in excelling in the classroom and transitioning from college to a career of their choice.
