Fellow Honors Programmers --

Call this the late Friday afternoon version, beginning with the forgotten reminder . . .

- **Honors Contract** – We forgot to remind you that the deadline was yesterday and so will extend it until next Friday, October 9. If you need help arranging a contract or are uncertain about how to do so, see me earlier next week.

Honors courses and registration information . . .

- **Honors Courses** – We will get the list of honors courses out next week.
- **Perspectives and Understanding** – For the spring, we moved it from its usual time (12:10-1:40 Tuesday/Thursday) to 10:30-12:00. If this won't work for you, let us know. We are looking for ways to enable anyone who wants to take the course next semester to do so, especially you volleyball players.
- **Advising Sessions** – For this semester, we will replace our drop-in sessions (sorry the pizza get eliminated with this plan also) with individual appointments. There will be times from early morning through mid-evening. Let either Sheryl or me know if you want an appointment.

Upcoming events . . .

- **Saturday, October 17 – Refresh the Rims (9:30 – Noon) & Pumpkin Painting** (in the afternoon). Get service hours for the Rims event and a chance to get some early Halloweenish spirit with the pumpkin painting.
- **Friday, November 6 – Jackbox II.** Another evening of Jackbox and friends.

October is always a busy month, much more this year given our accelerated schedule. So there will definitely be more to come . . .
