

"At MSU Billings I learned that English is a tool to assist me with making progress to achieve my dreams. I made so many friends from America and the world through the program. My teachers are very encouraging and friendly. The classes are really helpful to the preparations for university courses."

- Xiaoyi Wang, Chinese student at MSUB

**Individual Education Plan**  
The IELP offers classes in 130-hour sessions throughout the year. At the start of every session, an "Individual Education Plan (IEP)" is developed for each IELP student based on an assessment of the student's current English language skill level determined by a comprehensive English Language examination and personal consultation with their IELP student advisor. The Individual Education Plan is then used to guide each student's learning during the session to enable them to achieve specific goals for improving their English language competency level, social and cultural skill development, and preparation for college level academic success.

**Placement Testing & Level Advancement**  
At the start of each in-take session, new students will take placement tests which will define the IELP level that the student will start at in the program. The students' IELP course grades will determine whether the student should continue to the next level or continue at the previous level. Once an undergraduate student has successfully completed Level 6 of the IELP, they will retake the placement test as an exit test as well as the undergraduate placement test required by academia. When those tests are passed, students will have earned an English Language competency which will qualify them to enroll in any MSU Billings degree program. The same process applies to graduate students but must complete six levels in the IELP.

**Class Demographics**  
Average Class Size: 1-15 students/class  
**Countries represented in class:**  
Bangladesh, China, Iran, Japan, Korea, Kuwait, Malaysia, Mexico, Mongolia, Saudi Arabia, Thailand, & Vietnam.

**Program Details**

**Program Calendar**  
IELP classes are scheduled in convenient 130-hour terms throughout the calendar year. Students may start classes during January, May or September terms and may continue participating in each additional term until they have fully achieved their individual goals for language competency, college preparation, and social & cultural skill development.

IELP 2014 Sessions	
January Session (In-take)	July Session
March Session	September Session (In-take)
May Session (In-take)	October Session

**Program Costs**  
These are the estimated costs for each session of the IELP Program. Single room housing and other meal plan pricing options may be selected based on the student's preference. Required health insurance is also available at additional cost.

2014-2015 Session Costs	
Tuition: \$2,650 (Students are usually charged for two sessions)	
Fees: \$595.55	
Books & Material: <a href="http://www.jackets-and-company.com/home.aspx">www.jackets-and-company.com/home.aspx</a>	
Housing: <a href="http://www.msubitings.edu/reslife/">www.msubitings.edu/reslife/</a>	
Meal Plans: <a href="http://www.msubitings.edu/dining/plans.html">www.msubitings.edu/dining/plans.html</a>	

**Conditional Admission**  
Students applying to MSU Billings but do not have the required English Language Proficiency test score for full admission to MSU Billings, even though they are academically qualified, may be considered for conditional/provisional admission through required attendance in this Intensive English Language Program. By successfully completing the Intensive English Language Program, students will be able to enter Montana State University Billings unconditionally and without having to take an English Proficiency exam. To apply for conditional admissions, please refer to the steps below.

Type of Admission	PT	IT	IELTS	MS-AB	PT-A	IT-B
Undergraduate	515	68	5.5	70	50	5
Graduate	565	84	6.5	80	65	6

**Application Process**  
1. Complete an online International Student Application  
2. On the International Student Application's English Proficiency option, choose #1 for Conditional Admission  
3. Complete a Financial Statement Form and submit an Institution Bank Letter  
4. Send official transcripts from previous schools

Apply online at: [www.msubitings.edu/internationalstudies/admissions](http://www.msubitings.edu/internationalstudies/admissions)

**Program Level Descriptions**

- Level 1** This level will provide students with foundational English skills in writing, reading, speaking, listening, and culture.
- Level 2** This level will enable students to increase their abilities in English pronunciation, reading and vocabulary, writing and grammar, oral communication, academic skills, and American culture.
- Level 3** This level will allow students to synthesize English within academic writing and reading, oral communication, intercultural skills, a second level of academic skills, grammar (both spoken and written), and presentation skills.
- Level 4** This level will offer students the opportunity to participate in a university course by observation, take a second level of intercultural skills, another level of academic writing and reading, more oral communication with an emphasis on speeches, and a course on research skills.
- Level 5** This level will prepare students to enter MSU Billings undergraduate credit courses within their chosen program by offering participation in a credit course, a second level of research skills in a course for research projects, a course for PowerPoint skills, a higher level of academic writing and reading, and a final level of oral communication, upon successful completion of this level, a student's placement test results will be equivalent to scores needed for enrollment in the required college level English composition course at MSU Billings.
- Level 6** This level will prepare students to enter MSU Billings undergrad/grad credit courses within their chosen program. Courses will be focused on undergrad/grad academic writing and reading, and oral communication skills. Upon successful completion of this level, a student's placement test results will be equivalent to scores needed for enrollment in credited undergrad/grad level courses at MSU Billings.
