## Introduction

This directory of foundations active in Montana is compiled and published by the Grants Center staff at Montana State University- Billings. The Grants Center is a Foundation Center cooperating collection housed in the MSU-Billings Library. It is one of three such collections in Montana. The other collections are located in Helena at the Montana State Library (phone: 1-800-338-5087) and in Bozeman at Bozeman Public Library (phone number 406-586-4787). It is generally appropriate to call ahead for hours of collection availability.

Much of the material in these collections is provided by I.R.S. Private Foundation 990 cards and The Foundation Center, a national service organization. The Foundation Center is supported solely by foundation funding, with main offices in New York. The Foundation Center Library is located at 79 5th Ave. New York, 10003-3067. Their phone number is (212)620-4230.

The Foundation Center has recently published its *User-Friendly Guide: Grantseeker's Guide to Resources (Revised Edition 1995)* which can be ordered directly from The Foundation Center. It includes information on sources of corporate and government funding, grants for individuals, types of foundations, and especially helpful instructions in the use of Foundation Center materials. The Foundation Center also has a world wide web server at <http://fdncenter.org/>

We hope this directory is helpful. In the 1996 edition many entries have a number in parentheses following the dollar amount in the Grants category. This number indicates the number of grants given in addition to the total dollar amount listed. The table of contents identifies out-of-state foundations known to contribute in Montana by an asterisk.

Please contact or visit our office with any suggestions for future editions, comments about information contained herein, and most essentially, corrections and advice on omissions. The Grants Center is located in room 302 of the Library and the phone number is (406)657-2040, fax (406)657-2037. The Grants Center is staffed 8am to 8pm Monday through Thursday, 8am to 4pm Friday, and limited weekend hours during the school year. Summer hours are 7:30am to 4pm Monday through Friday.

Good luck in your pursuits!

## **Montana Arts Council**

316 North Park Ave.  
Helena, MT 59620  
(406)447-8390

The Montana Arts Council provides funding to organizations which are chartered in Montana as non-profit tax exempt organizations. Grant funds must be matched by cash or in-kind contributions; therefore, the Council will not fund more than 50% of total cost. The match money cannot come from federal funds.

In-kind contributions are services and other materials donated by an organization. They are defined as contributed supplies or services at fair

market value, those necessary to carry out grant programs and those which are essential to the completion of the program, to be utilized during the project. The sub-grantee must maintain documentation of in-kind contributions.

### **Council Priorities:**

1. Programs must be in existence for at least one year with tax-exempt status to be eligible;
2. Give priority to Montana citizens.
3. The Council places a high priority on those projects that would reach special audiences comprised of citizens who are not regularly served by the arts, e.g. persons with disabilities, the elderly, low income groups, ethnic and racial minorities, and residents of, rural communities.
4. The Council will support college projects if they are determined to be of benefit to the general public.

### **Low Priorities:**

Scholarships and projects offering free art.

### **Areas Not Funded:**

Permanent equipment, reducing existing deficits and individuals.

### **Application Process:**

1. Supply a copy of Tax Exempt 501(c)(3) non-profit status.
2. Have the formal approval of the program's Board of Directors to submit the application.

### **Cultural and Aesthetic Project Grants:**

*Deadline:* August 1, 1996

*Grant Period:* July 1, 1996-June 30, 1997

### **Who is eligible?**

Any person, association or representative of a governing unit, such as, a Montana state, regional, county, city, or tribal government. Governing units usually apply on behalf of non-profit, tax-exempt organizations which will conduct the project.

### **What projects are eligible?**

Grant applications must be for cultural and aesthetic projects, including but not limited to the visual, performing, literary and media arts, history, archaeology, folklore, archives, collections, research, historic preservation and the construction or renovation of cultural facilities.

### **How are Grants Reviewed and Awarded?**

Prior to each two-year grant period, a sixteen-person advisory committee reviews all applications and makes funding recommendations to the Montana Legislature which awards the grant. The members of this committee are appointed equally by the Montana Arts Council and the Montana Historical Society. The grant

process is administered by the Montana Arts Council.

### **How does my organization apply?**

An instruction booklet and application form will be mailed to you. The deadline for receipt of completed applications is **August 1st**.

Applications on behalf of private museums, art centers and cultural facilities *which have received a Cultural and Aesthetic Grant in the past*, must receive county or municipal financial or in-kind support to be eligible for funds.

**Special Project Grants** are for specific activities, services or events of limited duration, the expansion of on-going programs to meet defined needs and the support of projects which generate new sources of revenue. A short application form for grant requests of \$4,500 or less is available. Organizations with little grant writing and management experience might consider submitting applications in this category.

4. Well-managed and established organizations confronting unforeseen emergency situations.
