LIBRARY MSU-BILLINGS

Introduction

The **Montana Foundation Directory, 2003 edition**, has been compiled, edited, and published by Montana State University-Billings. The directory lists foundations operating in Montana, and out-of-state foundations known to have contributed in Montana. The information has been compiled from the Internet, IRS 990 forms, and personal contact with foundation officers, directors, and trustees.

The library of Montana State University-Billings is one of five Foundation Center Cooperating Collections in Montana. The other collections are located at the Montana State Library in Helena, the Lincoln County Public Library in Libby, the Bozeman Public Library, and the Mike and Maureen Mansfield Library at the University of Montana in Missoula. It is generally appropriate to call ahead for hours of collection availability and help.

You are welcome to use the Library and the Grants Collection at Montana State University-Billings (www.msubillings.edu/library/grants). To ensure assistance, call for an appointment. Library hours are posted on the Library website (www.msubillings.edu/library) and a recorded message is available at (406) 657-1657.

We hope this directory is a useful resource and look forward to your comments, suggestions, or corrections for future editions.

Grant Notes:

The Montana Community Foundation is going to take a hiatus from some of its granting programs during 2002. MCF is currently reviewing the effectiveness of their programs. The review will affect the General (Basic Human Needs specifically in 2002), Leadership Development, Challenge and Development, and Renaissance

Grants. MCF will continue to administer grants made available through the Funds for Tolerance, the Women's Foundation of Montana, donor advised, scholarship funds, and special program funds. The decisions, made from the review, will be posted on the web site during the last quarter of 2002.

MCF has several different endowment funds which support different grants programs. The largest is the General Grants program which grants in five focus areas: Arts and Culture; Basic Human Needs; Economic Development; Education; Natural Resources and Conservation. The Montana Renaissance Fund provides grants to rural community foundations affiliated with MCF for community and economic development projects. Other challenge and development grants are also offered to local community foundation affiliates. The Fund for Tolerance provides grants to combat bigotry and prejudice in a variety of ways. Leadership Grants support training opportunities to build capacity for staff or board members of nonprofits.

Purpose:

The Montana Community Foundation is a unique charitable organization with a focus on community vitality and endowed philanthropy. MCF raises and administers private and public funds and provides leadership by making grants and encouraging giving throughout Montana.

Restrictions:

Areas NOT generally funded are: annual or capital campaigns; endowment funds; debt retirement; and religious purposes. Must have 501(c)(3) status. Limited to Montana or programs which have a direct impact on Montanans.

Purpose:

Provides charitable grants to worthy tax-exempt organizations carrying on religious, charitable, scientific, literary or educational activities exclusively. Grants may also be made to a state

or any political subdivision thereof but only if the grant is made exclusively for public purposes. The Foundation's areas of interest are broad in scope.

Restrictions:

Grant applications for endowment funds, support of elementary and secondary schools, needs of individual churches, and similar religious groups, and construction, renovation or operations of normally tax-supported public facilities will generally not receive favorable consideration. A low priority will be given to applications requesting funds for normal operating budgets and contributions to annual fund-raising campaigns. Seed money for innovative programs will be considered.

Grants will be made only on a matching fund basis, except those situations involving dire need where matching funds cannot be made available. At least equal matching of funds will be required of organizations not tax-supported and at least a three to one matching of funds will be required of organizations which do receive tax support. Primary consideration will be given to organizations which are not tax-supported. While not a prerequisite for submitting a grant application, applicants are encouraged to develop other sources of support for a particular project or program prior to approaching the Foundation for funding.

Preference will be given to those organizations which will use and apply substantially all of the distribution in a 30 mile radius of Sheridan, Wyoming.
