

Policy Number: 104.11

Policy: Mobile Video Taping

Effective Date: 08/01/2011

Revision Date: 06/01/2017

Approved by: Scott Forshee, Chief of Police

Recognizing the need to establish guidelines for the use of mobile video/audio recording equipment, the Department will utilize mobile video/audio taping equipment and techniques in a manner which will gather audio and/or videotaped evidence to be used in law enforcement responsibilities.
