Sandie Rietz, Educational Theory and Practice, stated that the Reading majors take 9 credits of student teaching. The first 3 credits are the Reading Clinic, which is already an established course. The second course, which will be EDU 495D, puts the students out into the community in one-on-one or small group tutoring. The third piece, EDU 495E, puts students into classrooms at schools. The experiences in the new courses are not new; these courses are being added due to issues that have arisen from title changes because of Common Course Numbering.

- Motion carried.

- Motion by Neil Suits, seconded by John Hoover to **approve Items 58 and 58.a on first reading.**

Dr. Rietz noted that these program changes are to add the new courses to the Reading programs and remove the courses with inappropriate titles. No new faculty are needed in the program.

- Motion by Tom Dell, seconded by John Hoover to **waive second reading of Items 55, 55.a, 58, and 58.a.**
